

SPEAKER MARVEL: Senator Murphy.

SENATOR MURPHY: Mr. President, I had intended to say pretty much what Senator Cullan said and I would just ask to amend his discussion with one recommendation, that we have the Sergeant at Arms lock this back door and cut off this re-cycling program that is going on and get on with our work.

SPEAKER MARVEL: Is there an amendment on the desk?

CLERK: Mr. President, Senator Beutler would like to amend the DeCamp proposal by including LB 306 and LB 175.

SENATOR BEUTLER: It is only fair Mr. Speaker. If you are going to include all of the bills on Select File, lets put all of the bills on Select File on it. That is really what this amendment does is put all of the remaining bills. That is not going to get me to vote on it. Out of fairness I believe all of the bills on Select File should be included.

SPEAKER MARVEL: Senator Newell, do you wish to speak to the DeCamp amendment or to the Beutler amendment?

SENATOR NEWELL: I want to call the question but I will wait until somebody talks on Beutler's amendment.

SPEAKER MARVEL: Senator Hefner, do you wish to speak to the DeCamp amendment? Okay, go ahead. Okay, it is the Beutler amendment. Senator Haberman, do you wish to speak to the Beutler amendment?

SENATOR HABERMAN: Mr. President, fellow colleagues, I think we have made our nest and we might as well lay in it. We might as well take them one by one. We said earlier that we would stay here as long as we have to, we said lets be responsible, lets do this the proper way. So, we have been here now. . . it is 8:00 p.m., so it isn't going to make any difference so I oppose the Beutler amendment and the DeCamp amendment. The DeCamp motion rather.

SPEAKER MARVEL: Senator Fitzgerald.

SENATOR FITZGERALD: The DeCamp amendment.

SPEAKER MARVEL: Senator Koch.

SENATOR KOCH: Question.

SPEAKER MARVEL: The question has been called for. Do I see five hands? All those in favor of ceasing debate vote aye,
